## Live Ember Recovery Tool

For use with Woodstoves, Fireplaces, Campfires and Dutch Oven Cooking

The **KoalKeeper**® enables the user to quickly, cleanly and effectively sift the remains of a fire and separate the live embers from the ash. The embers can be used to rekindle the fire or placed on Cast Iron Cookware.

### Comments by actual customers:

As a Fireplace accessory...

*"This is the most useful fireplace tool that I own.  
I wish I'd known about it sooner..."*

T.M. Olsen, Texas 11/28/2010

As a Cast Iron Cooking accessory...

*"I have this little shovel and I recommend it,  
I wonder how I ever got along without it"*

Brenda Wildish, "Dutch Oven Girl"  
Southern California Chapter,  
International Dutch Oven Society

The **KoalKeeper**® provides these advantages:

**Simplifies Fire Maintenance** ♦ Keep a fire going indefinitely without relighting

**Saves Time and Money** ♦ Reduce need for expensive fire starting products

**Built to Last** ♦ Sturdy powder coated steel tool should last a lifetime

**Improves Fire Safety** ♦ Keeps hot embers out of the ash bucket
