Closed-End Log Totes

The clean way to carry firewood

These log totes will help keep your floors clean while you transport wood from outside to your stove. They can also be used for carrying other heavy things. The leather tote is even pretty enough to use as a picnic basket.

Durable Nylon

Tough black fabric is the same material used to strengthen radial tires. USA made.

Large Tote

25"Lx11"Wx13"D, 1 lb.

#H413-380; \$19.95

Small Tote

19"Lx9"Wx10"D, 1 lb.

#106-5145; \$15.95

Genuine Cowhide

Thick-walled, genuine cowhide bag is so well-made, it stands upright when empty. Seams are double-stitched for extra strength. Handmade by the Maya Indians, a people known for their leatherwork. Can't tear or rip like other carriers. Naturally

tan bag is 20"Lx10"Wx9½"D, 3½ lb. Made in Guatemala.

#12-682; \$169.00

Wrought Iron Mitten Tree

Cozy, warm, DRY mittens

Make sure mittens, gloves and hats are warm and dry when you're ready to go outside this winter. Our wrought iron tree holds up to 4 pairs for air-drying after work or play in the snow. Set it near your woodstove or heater for warm and toasty mittens – a real treat on a cold day. Lightweight, sturdy tree will last many wet-mitten seasons while adding a decorative touch to the hearth. And, parents of little ones: you'll always know right where their mittens are! In warmer weather, get creative and use it to dry baby bottles or plastic bags. 28½"H, 11"W, 1½ lb, USA made. **NEW!**

#428; \$19.95

Perfect Additions for Any Hearth

KoalKeeper™ Live Ember Recovery Tool

Koal Keeper

Live ember recovery tool

This is a real time saver and simplifies fire maintenance.

Sift out the embers in your woodstove or fireplace while getting rid of unwanted ash. Just scoop up a shovel full, shake the ashes through the grate, and preserve the live embers for starting your next fire. Keep the fire going continuously without fire-starters. Black powder coated steel with hanging hole in handle. 18"L, USA made.

#562-5533; \$12.95

Magnetic Stovepipe Thermometer

Know when creosote is forming

Eliminate creosote! Maintaining proper chimney temperatures is more than half the battle. Our magnetic thermometer sticks anywhere and gives accurate temperatures on single walled pipe from "Soot & Creosoting" range to "Overheating" range. Satin black with easy-to-read gray lettering. 2½"OD, USA made.

#H406-294; \$14.95

Firewood Hauler

Move 150 lbs of firewood with ease

Our firewood hauler makes carrying firewood less of a chore and more of a pleasure. Specially designed to carry heavy loads and roll easily over rough terrain, up hills, through snow, even through doorways and down stairs! Perfectly balanced cart has a low center of gravity and

large, semi-pneumatic wheels. Built to take years of hard, year-round use. Made of chrome-plated and galvanized steel parts. Fits through a standard, 28" doorway and holds logs that are 12" to 20" long. 2-year, no-questions-asked warranty. Assembles in 15 minutes with a pliers and flat head screwdriver. 40"Hx27"Wx30"L, 20"OD wheels, 25 lb. USA made.
